Child Safe Products shall not be liable for incidental, consequential, or other damages to structures or contents arising under any theory of law whatsoever.

2. Manufacturing Defects

If, upon inspection by the SELLER, Child Safe Products materials evidence manufacturing defects, Seller's liability and Buyer's remedies are limited, at Seller's option, to repair or replacement of the defective material at the FOB point of the original sale.

3. One-Year Performance Warranty

SELLER further warrants that the Child Safe Products System will not prematurely deteriorate to the point of failure because of weathering for a period of one (1) year from the date of sale, provided the system is properly installed, maintained, and used for the purpose intended by the SELLER.

The value is determined by the SELLER based on the remaining months of the unexpired warranty, prorated at the current price of materials.
